

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Inventor(s): Raja Bala et al.

Application No.: 10/802,130

Confirmation No.: 3573

Filed: 03/16/2004

Examiner: David Rashid

Art Unit: 2624

Title: COLOR TO GRAYSCALE CONVERSION METHOD  
AND APPARATUS

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

**Response**

In follow-up to the interview between examiner and applicants on February 12, 2008, below is a summary of that interview. Applicants filed their response to the office action on March 13, 2008, without the interview summary.

Applicant and Examiner discussed claim 1 in reference to US Patent No. 5,434,627 to Weston. Applicant did not believe that Weston anticipated Claim 1. Applicant agreed to reconsider the Examiner's position.

Respectfully submitted,

*Joseph M. Young*, Reg. No. 45248/
